PARA DRESSAGE

Do you love the real sport of Showjumping and really want to enjoy a unique experience? Join Cavalor on a trip to the **World Championship Showjumping in Herning**, Denmark this summer. We have organized a private charter from Antwerp Airport and all other logistics to make this trip as convenient as possible. Our hotel is located 4 km from the show-ground in the center of Herning, so locally you can easily use the event shuttle service.

Tickets for the competition are included for Thursday, Friday and the final on Sunday. On Saturday, it is relax day for the riders and horses and we have a private visit booked at Stuteri Ask. One of the most famous breeding and sport stables of Denmark.
